#### **about KPMG and KPMG Luxembourg Société coopérative**

KPMG is a global network of independent member firms offering audit, tax and advisory services. The firms work closely with clients, helping them to mitigate risks and grasp opportunities.

Member firms' clients include business corporations, governments and public sector agencies and not-for-profit organizations. They look to KPMG for a consistent standard of service based on high order professional capabilities, industry insight and local knowledge.

KPMG member firms can be found in 154 countries and territories. Collectively they employ 197,263 people across a range of disciplines.

Sustaining and enhancing the quality of this professional workforce is KPMG's primary objective. Wherever our firms operate, we want them to be no less than the professional employers of choice.
